

Thank you so much for visiting!

The purpose of this site is to showcase the diverse artistic experiences I have had with past and present students.

Many pictures of student art to come!

Thank you to Mrs. Anderson and the students at Canopy Oaks for the most rewarding and inspiring four months of my life. I will never forget you!!!

Love,
Ms. Silvey

Mary-lynn Wright

Mary-lynn Wright is a high school mathematics teacher who understands the need for technology.

I developed a website that was highly configurable for Mrs. Wright. She was once knowledgeable about the basics of HTML and javascript, and I worked with her to rekindle her understanding of the web.

Features:

- customized Joomla CMS
- custom Joomla for displaying RSS feeds of math and science news
- jQuery navigation
- social media integration
