

Alright. So Creme brulee(I won't burden you with the accent aigu, grave or circumflex's- you want a dessert not a lesson in Windows alt codes) is the stereotypical French dish. If you go to Disney's international food festival at Epcot you'll have a chance to get escargots and some brulee. While such things cheapen a simply wonderful dish it doesn't mean it ruins it for the rest of us.

The Incompetent Cook

A clean cooking blog that keeps the emphasis on the food. It is a customized WordPress theme with some jQuery slideDown elements.

Features:

- customized WordPress theme
- custom CSS
- jQuery navigation
- custom jQuery cookies
