Bob Parker & Associates

Bob Parker & Associates is a small construction consultation company in Vermont. Mr. Parker himself is a 70 year old professional who recognized the need for a web presence.

I built Mr. Parker that showcases he and his associates' unique talents, as well as integrated the option of payment for their services in advance.

Once the site was built, I taught Mr. Parker how to change or add content to his site whenever he pleased.

Features:

- customized Joomla CMS
- custom Joomla modules
- jQuery navigation
- custom jQuery image gallery
- integrated payment systems
